Motion by Rasmussen and seconded by Watne to approve Wright County be employer of record for the I-Start Program. Motion carries.

Andy Yackle, Peggy Schluttenhofer, and Jen Sheehan met with the board to give the updated Wellness Program. The wellness program will be through Iowa State Association of Counties and Mercy Network. There are various thresholds that the county will need to meet in order to get continued discounts on the insurance premiums.

ISAC and Mercy will be a lot more hands on in working on the programs.

1. ISAC will hold a Lunch and learn and the County Wellness Committee will have a lunch and learn. (Need to have 60% participation to both meetings for a 1% discount on premium)

2. Mercy will come to the county and do a biometric measurement on each employee. Need 70% participation for another 1% discount; 80% participation for 2%; 90% participation for a 3% discount.

3. Employee's must take their Biometric results to their family doctor for another 1% discount and that too requires over 60% participation.

Each 1% discount accounts for about \$16,500 in savings in the County in premiums.

Motion by Rasmussen and seconded by Watne to approve a \$100.00 gift card to employees for completing the Wellness Program for 2018.

Present on conference call was Philip Jacobs (FEMA grant writer).

Landowners and interested parties present were: Dave Pogge and Jay Pogge.

Deb Lukes explained that a private crossing in SW ¼ of NW ¼ of section 18 Norway Township was washed out in the flooding that occurred this past summer.

Adam Clemons described what his cost estimate is to replace the crossing and install larger pipes for water to flow through, stating that the total cost to replace and enlarge the pipes would be \$83,206.33.

Philip Jacobs then explained that FEMA could possibly pay up to 75% of the estimated cost to repair the structure. The estimated cost to repair the structure to pre disaster condition would be \$32,000.00, making the 75% cost share from FEMA be approximately \$24,000.00.

Discussion was then held regarding who pays for the remaining approximate cost of \$59,000.00. It was decided to have a meeting with David Johnson to get an at-

torney's opinion.

\*Be it known that this private crossing is not an asset of the drainage district, and that the district is merely facilitating the meetings.\*
